

THIRTY-TWO DEAD RESULT OF WRECK IN CALIFORNIA

SPECIAL BEARING SHINNERS
AND WIVES HITS DEFECTIVE
SWITCH.

THE SCENE WAS TERRIBLE

Two Trains Bearing Redmen to Marietta Wrecked Near Columbus Monday.

Los Angeles, May 13.—The 32d death as a result of the Southern Pacific wreck Saturday, occurred today, when Brakeman Beckford succumbed. A defective switch caused the wreck, it is believed. Three trains bearing Shriners have arrived here from the scene of the wreck. Passengers agree that it was the most deplorable sight they ever witnessed.

Santa Barbara, Cal., May 13.—More than 30 persons were killed and a score injured, a number fatally, in the wreck of the northbound train on the coast line of the Southern Pacific railroad Saturday afternoon. The disaster, which was caused by a defective switch, occurred at the lonely station of Honda on the Pacific beach. The train which was carrying 145 Shriners of Buffalo, N. Y., and Reading, Pa., homeward bound, after a week of fraternizing at Los Angeles, was running at a high rate of speed at the time of the catastrophe.

The bodies of a score lie in the morgues of Santa Barbara, and ten more are at San Luis Obispo. The injured, many of whom are terribly hurt and will probably die, are in two sanitariums at San Luis Obispo.

The wreck occurred exactly at 2:35 o'clock, one hour and forty-five minutes after the convalescent visitors, forming a merry party, had spent all the morning sight-seeing in Santa Barbara. The statement that the train was making terrific speed when it struck the defective track, is borne out by the fact that it covered the sixty-one miles of curves and crooked track between here and Honda in exactly one hundred minutes.

There was no warning of the impending calamity. The special plunged upon the defective switch, and in an instant the big locomotive, baggage car, diner and Pullman coupled with it, were hurled together in a huge heap of wreckage. The engine shot forward on the broken track, tearing up the rails and ties, and twisting the huge iron spans into fish-hooks. The baggage car half buried itself in the sand on the right side of the locomotive. It was smashed almost to kindling wood. The dining car, in which were 32 persons eating their noonday meal, leaped into the air and was thrown directly on top of the demolished locomotive. Nearly every person in this coach was instantly killed. Scores were scalded by steam escaping from disconnected pipes in the kitchen of the diner.

Scenes indescribable. The terror and turmoil of the scene was indescribable. Many of those who escaped instant death by the first impact were crushed by the rear coaches hurled upon the wreckage. Others, pinioned in the debris, were roasted alive. The wreckage caught fire from the coals of the engine, but was extinguished in a few minutes by the passengers who escaped injury.

There were countless deeds of courage and heroic self-sacrifice. A. D. Hagerman of Reading, Pa., refused the aid of his brother nobles after they had dragged him, fatally hurt, from the wreck. "I am dying," he said, "go help the women."

Rajah temple of Reading, occupied the last car on the train and were the last ones to go forward to the diner. The car was filled almost entirely with Reading people when the wreck occurred. An instant after the smash those who were not rendered insensible or otherwise incapacitated by the terrible impact, jumped from the train to render aid.

The Dead.
Following is a list of the dead now in the Santa Barbara morgue: J. Douglas, Potomac; Rajah temple, Reading, Pa.; H. K. Gittelman, Reading, Pa.; A. L. Roth, Reading; C. Gilbert Steffe, Reading; S. S. Snyder, Reading; Louis N. Ellenbogen, Allentown; Howard Moyer, Hazleton; A. D. Wasson, Ismailia temple, Buffalo; Charles S. Henry, Lebanon, Pa.; John W. Cutler, Binghamton, N. Y.; Charles M. Lowing, Pullman conductor, Buffalo; G. W. Martin, New York agent for McCann's Tourist company; John Lacey, negro dining car waiter; R. W. Sweeney, negro dining car waiter; George F. Hagerman, Reading; Benjamin Stoltz, Reading; Harrison Hendel, Reading. Following are the names of the women who met death in the wreck: Mrs. William W. Essick, Reading, Pa.; Mrs. S. Snyder, Reading; Miss Stoltz, Reading; Mrs. J. W. Cutler, Binghamton, N. Y.; Mrs.

Lewis N. Ellenbogen, Allentown, Pa.; Mrs. Henry J. Fisher, Cleveland; Miss Cora Young, Cleveland; Mrs. Brumbach, Reading, Pa. The following dead are at San Luis Obispo: Richard Essick, Reading, Pa.; Oliver T. Kaufman, Henry Miller, Alonzo B. Rogers, St. Paul, Pullman car conductor.

Coroner's Inquest.
Santa Barbara, Cal., May 13.—Coroner Ruiz began his inquest on the bodies of the victims of the wreck. Joel H. Prescott of Buffalo was the first witness. He testified that the train was running at a high rate of speed at the time of the accident. Prescott said he examined the ground in the vicinity of the switch and discovered that a point of a switch rail was broken off, evidently by the train. This caused the train to leave the track.

Redmen's Train Wrecked.
Columbus, May 13.—John Davidson of this city, who was walking along the tracks near Truro, east of Columbus, was killed when passenger train No. 2 jumped the track Monday. Engineer Martin was terribly scalded and may die. Fireman Martin and two mail clerks were less seriously injured. One hundred Redmen, en route to the grand council meeting at Marietta escaped uninjured.

NEWARK'S LIVE ONES

CHARLES F. RHOADS.

Mr. Charles F. Rhoads the merchant tailor, whose place of business is in the Y. M. C. A. block, learned the art of cutting from his father, the late P. F. Rhoads, who for many years was an authority in his line in Newark. Later he perfected himself in the East under a competent teacher. Mr. Rhoads has been in business for himself four years and has made a marked success. He is a member of the Masonic fraternity and has many friends. Mr. Rhoads likes to see a good baseball game and enjoys driving his automobile, but his love for out of door sport is a secondary consideration, as business stands first with him.

"BASEBALL TODAY" BANNER FLOATS FROM SKYSCRAPER

Did you see the big "Baseball Today" banner which floated from the staff of The Trust building Monday morning? It was there, and hereafter, as long as you see that banner hanging to the staff, you will know that the game at the park will be played.

It is an idea of Mr. Maurath. He has made arrangements with the janitor of the building to run up the banner on days when games are to be played at Wehrle park. In case a game is called off in the afternoon, a telephone message to the janitor of the building will cause the banner to be lowered.

Thus the fans will be able to keep track of the games to be played without going to the trouble of calling up by phone to learn whether the game has been called off or postponed.

BOY WAS SHOT

And a Chicago Traveling Salesman Held Pending an Investigation of the Case.

Indianapolis, Ind., May 13.—Paul Edward Green, a traveling salesman for a Chicago wholesale shoe house, whose residence is in this city, is being held at the police station pending an investigation of the death of his 17-year-old son, Newel Green. The boy was found dead in front of his father's house with two bullet wounds in his head. According to the police there is much mystery connected with the affair. The young man has not been living at home, but has been staying with Green's first wife, who lives at Muncie, Ind.

W. D. HAYWOOD'S TRIAL STARTS--NO JURORS FIRST DAY.

CLARENCE S. ZARROW.

COUNSEL FOR THE DEFENSE.

With both sides prepared to contest every inch of the ground, the great legal battle for the life or liberty of William D. Haywood has opened at Boise, Idaho.

On its examination of jurors the

State is laying emphasis on the manner the defendant was taken from Colorado to Idaho.

The question is asked if the manner in which the accused was arrested and brought to Boise would in any

way influence a verdict. Stress is also laid on the value of circumstantial evidence, and if the juror is accepted would vote to inflict the death penalty where the evidence was largely or entirely circumstantial.

A FLOOD TIDE OF IMMIGRATION

New York, May 13.—The flooding tide of immigration to American shores runs ceaselessly on and new records for the influx of Europe's migratory hordes are being recorded every month in the port of New York. Already the month of May bids fair to far outstrip the April record, when 133,452 immigrants poured through the gateway of New York into the country. Five transatlantic liners brought in over 5,000 immigrants Saturday and officials at Ellis Island say that there are no signs of cessation of this European invasion.

HUGE MAJORITY FOR COUNCIL BILL IN PARLIAMENT

London, May 13.—With their huge majority, the Liberals, it is confidently predicted, will be able to pass the Irish bill through the house of commons. But whether the government can carry the measure through the house of lords is not so clear. It is one of the proudest memories of the peers that in the great home rule battle over the Gladstone bill, the upper house finally triumphed over the commons, thus defeating home rule at a moment when it was almost within reach. However, sentiment has changed since then, and the British public has now grown so weary of the everlasting Irish question that it is quite ready to have the peers grant some measure of relief.

SLEPT 40 DAYS

Kansas City, May 13.—T. C. Webster, who was taken from an east-bound train here on April 2, unconscious and removed to the City hospital, has slept constantly for the past forty days and is still asleep. Physicians say he is suffering from acute melancholia. Webster is 60 years old. He was traveling from Horse Shoe Bend, Idaho, to Gainesville, Ga. None of his relatives or friends has visited him since he was taken to the hospital.

PARASITE BEES TO DESTROY BUGS

Lawrence, Kans., May 13.—The demand upon Professor Hunter of the entomological department of the Kansas state university, by southwestern farmers for parasite bees to kill the green bugs exceeds the supply. Professor Hunter stated that he and his assistants are able to collect but 200 of the bees daily, while there have been calls in the past week for 500 a day. The bees are collected by university students who do their work without pay and are shipped to the farmers without cost.

EIGHT HOUR LAW VALID.

Washington, May 13.—The Supreme court of the United States today by a decision in Massachusetts in the case of Ellis vs. United States, upheld the constitutionality of the eight hour law as applied by public works

HAYWOOD TRIAL

Boise, Idaho, May 13.—The trial of Haywood was resumed this afternoon. A special panel of 100 men, mainly farmers and stockmen, appeared when court convened ready to be examined as to their qualifications for jury duty. Senator Borah, chief prosecutor said today that he is confident the jury will convict on the strength of the evidence the state will present.

Boise, Idaho, May 13.—Interest in the trial of William Haywood continues to center in the personality and testimony of Henry Orchard, who is alleged to have killed Governor Steunenberg and upon whose confession William Haywood and his associates in the directorate of the Western Federation of Miners, were indicted. Speculation as to the time of his appearance is idle until the jury is formed, but it is believed that he will be called after the death of Steunenberg has been proved, and that his testimony will be the main foundation upon which the prosecution will build. Meantime, Orchard is a closely guarded prisoner in the state penitentiary, a castle-like structure, built and walled with stone.

MR. JAMES BRYCE BRINGS MESSAGE FROM ENGLAND

AND DELIVERS IT AT IMPRESSIVE CEREMONIES AT JAMESTOWN MONDAY.

COMMEMORATING LANDING

Of English Colonists on American Soil Which Took Place on May 13, 1608.

Norfolk, Va., May 13.—In commemoration of the landing of the first English colony on American soil, May 13, 1608, impressive ceremonies were held at Jamestown Island, on the site of the old settlement today. James Bryce, ambassador from Great Britain, delivered the principal oration. Bryce told of the trials of the English settlers and said he bore a message from the mother country to her daughter. It is "cherish alike and cherish together liberty and law. Today she rejoices with you in your prosperity and your unity. She is proud that she and the foundations of your vast and splendid republic."

Thomas S. Marshall, cousin of William J. Bryan, filed petition in bankruptcy in the United States court in East St. Louis, fixing his liabilities at \$300,000.

One man was killed and a dozen injured at Chicago by the collapse of one of the floors of the McCormick branch of the International Harvester company's works.

Fires at Paris burned Anbin's cart-ridge factory, La Chapelle's metal works and seven tenements. Work of firemen impeded by thugs who cut the fire hose to pillage houses.

RUNAWAY CARS CAUSE A WRECK

El Paso, Tex., May 13.—Running fifty miles an hour four miles this side of Lordsburg, N. M., Southern Pacific passenger train No. 7, westbound, collided with a string of twelve runaway freight cars and was wrecked. The engine was thrown from the track and tumbled over and the express car was thrown across the track. Engineer Neal B. McGinnis of this place was caught under the tender and crushed to death. Fireman Pat Sullivan is still living, but is scalded so badly that he cannot survive. Only one passenger, Mrs. McCaskill, was slightly injured.

THE DEADLOCK IN WISCONSIN STILL CONTINUES

Madison, Wis., May 13.—Three weeks of balloting in joint legislative session finds the contest for the seat of John C. Spooner in the United States senate still unsettled. The only changes since the beginning of the contest have been the withdrawal of Messrs. Lenroot and Cooper, who, while they were factors, received close to 20 votes each. Isaac Stephenson, the wealthy lumber man of Marinette, is leading in the contest with 22 votes on the last ballot in joint assembly.

BIG CHICAGO FIRE

Chicago, May 13.—A loss estimated at \$100,000 was caused by the burning of a four-story building on Desplanas street, occupied by the Chicago Feather Duster company. The fire is thought to have been due to the explosion, through spontaneous combustion, of oil stored in an adjoining building separated only by a temporary wall.

PLANET MARS

Will Be Photographed by Lowell Expedition Which is Headed by Prof. Todd.

New York, May 13.—The riddle of the planet Mars may be brought nearer solution by the Lowell expedition, headed by Professor Todd of Amherst college, now enroute to South America where high in the peaks of the Andes photographs of the mysterious planet will be taken through a mammoth telescope by a specially constructed camera.

Murdered in Bed.
Huntsville, Ala., May 13.—Angered because her son-in-law Frank Albright, had come home drunk and run the family away from home by his violent actions, Mrs. Mattie Connolly murdered the man by shooting him with a shotgun as he lay in a drunken stupor on his bed. Mrs. Connolly has been lodged in jail and Charlie Chadwick, a 16-year-old boy, has been put in jail as an accessory. Albright was a merchant about 30 years old.

Sylvester Suratt accidentally smothered his 3-year-old child. It was in bed beside him at his home in Columbus.

NINETY CREMATED. Miners in Mexico Cut Off by Fire.

City of Mexico, May 13.—Ninety men are supposed to have lost their lives in a fire which started in the Tenares copper mine at Velardena, in the state of Durango. The fire is still raging and is said to be beyond control. Thirty-five bodies have been recovered up to this time. Seventeen miners are known to have escaped. The burning mine belongs to the Guggenheim interests.

The origin of the fire is supposed to have been due to the carelessness of a miner who was smoking a cigarette in an abandoned shaft drift through which he was passing. This section of the mine, it is said, was exceedingly dry, and it is believed that the man in throwing away his half burned cigarette allowed it to drop into a bunch of oil waste. A blaze was the result and this quickly conveyed itself to the adjoining timbers.

Mr. Nold has been organist at Trinity church for more than a year and since coming to this city he has taken a prominent position in the city's musical circles. He is an organist of much ability and is also an excellent choir director. He is as good a pianist as he is an organist.

Plot Against Czar.

St. Petersburg, May 13.—Thirty-four men were arrested on suspicion of being implicated in a plot against Emperor Nicholas. The men were arrested at Tsarsko Selo.

STRANGER ARRESTED FOR FORGERY

A well appearing stranger, who gave his name as Robert McVey, claiming to be an oil driller, visited the First National Bank Monday and tendered a check for \$735, signed by Gideon Sutton, and made payable to Robert McVey. Mr. Norton Suter passed the check to the cashier, Mr. Edwin C. Wright, who at once pronounced it a forgery. The stranger hurriedly left the bank. Mr. Wright notified the police and it was soon learned that the man had boarded a car and left for Zanesville. Chief Sheridan notified the police of Zanesville to arrest the man on the arrival of the car, which was done. The chief went down on the next car and returned Monday afternoon with his prisoner and placed him in the county jail. He will have a hearing before Mayor McClure.

NEARLY DESTROYED ARE WHEAT CROPS IN SOUTH WEST

Kansas City, May 13.—Reports from all parts of Kansas, western Missouri, Oklahoma and Indian Territory indicate almost complete destruction by frost of tree fruit crops and serious injury to bush fruits, grapes and strawberries. Tender garden plants throughout the southwest were destroyed but this causes small direct loss and the grower has already replanted. The replanted seeds will not be yielding produce until summer, however, and the quantities will send vegetables and small fruits north for several weeks longer than in usual seasons. At the beginning of May there was hope that the late blooming apples would escape, but the killing freeze of May 3 when the temperature fell to 27 degrees, with snow crusted on the trees, completed the havoc.

BOWER OF ROSES SUITE CONVERTED FOR THE WEDDING

OF WM. COREY STEEL, MAGNATE
TO MISS GILMAN, THE
ACTRESS.

NO EPISCOPAL CLERGYMAN

In New York City Would Marry Them Says Report—Honeymoon in Europe.

New York, May 13.—The royal suite at the Hotel Gotham is being converted into a bower of roses today for the wedding of Miss Mabelle Gilman the actress, to Wm. E. Corey, head of the Steel Trust, tonight. The exact hour of the ceremony is not known.

There will be an elaborate banquet but whether before or after the ceremony is in doubt. It is believed the ceremony will take place after midnight to escape the "13th" hoodoo.

After the ceremony Corey and his bride will go direct to the steamer Wilhelm II. for a wedding trip abroad. A report is current that no episcopal minister in New York would marry the couple, and that a friend of Mr. Corey, from Pittsburg, will perform the ceremony. Only immediate friends and relatives are invited.

LITTLE DISORDER.

Fifty Streetcars Operated Over Two Lines in San Francisco.

San Francisco, May 13.—Fifty streetcars were operated over two of the twenty-odd lines composing the United Railroad's system and about 20,000 passengers, a majority of them women, patronized the service. There was very little disorder. Unquestionably the firm stand taken by Governor Gillet when he announced that he would not hesitate a moment to call out the militia if rioting should be continued, had a sobering effect on hundreds of trouble makers. Five hundred police guarded the streets through which the fifty cars were run, but they had little to do.

DASTARDLY DEED.

Explosive Placed Under House and Five Negroes Blown Up.

Ruston, La., May 13.—Unknown persons set off a charge of some high explosive here under the house of Samuel Cook, a negro, blowing the house to pieces and killing Cook and four other negroes sleeping in a front room. Cook's body was blown about eighty feet away into the fork of a tree. The body of a woman was blown a hundred feet or more into the air, falling through the branches of a high tree and snapping the wires of a telegraph line before it finally struck the ground. The entire town was shaken by the explosion. There is no clue to the perpetrators.

DOG MAKES RECORD

New York, May 13.—When the Bleucher of the American-Hamburg line, came in from Hamburg, among the first cabin passengers was Prince,

"DOG THAT TRAVELED 12,000 MILES IN AN AUTOMOBILE."

a collie, who, it is believed, holds the long distance record among canines for automobiling.

When he and his master, Alexander Dwyer, embarked for America the dog had completed a tour of 12,000 miles. Contrary to the usual rule, which relegates dogs to the constant care of the butcher of the ship, Prince spent a good part of the time with Captain Dwyer on the bridge taking a course in ocean navigation, having finished his education as a chauffeur.

INSPIRING SIGHTS AT JAMESTOWN, VA.

UNPARALLELED PAGEANTRY AT BIG EXPOSITION TO WHICH 10 YOUNG LADIES GO.

Advocate Readers Will Select the 10 Winners and This Paper Will Pay the Bill.

(By George F. Vielt.)

Soldiers and sailors, the ships and the sea, martial music and the roll of battle ships' broadsides, palaces of peace filled with things of pure delight; sylvan solitudes and merry mazes of festivity, shore line, azure dome of a Virginian sky above all—that is the picture of the Jamestown Exposition, that the Advocate's part of young ladies will enjoy.

To offer one of the most unique military spectacles of all time is the distinctive and splendid privilege of the Jamestown Exposition. The latter made manifest in the immense gathering of the formidable warships of all nations that are dropping their anchors before the sea gates of this transcendent celebration. Judging from the immense interest displayed in the imitation battleship at the Chicago world's fair, this vast assemblage of the fleets of the nations will be the crowning attraction for the millions of visitors, especially those from Newark and other cities in the interior. The great fleet is now assembling and the magnificent array of battleships now lined on Hampton Roads is by far the greatest yet gathered beneath the American flag.

Of the foreign fleets that of Great Britain is the most imposing, and when the great ship Dreadnaught arrives, this world's greatest fighting craft will make an exposition by itself.

No other American harbor, and very few in the world could afford anchorage to the stupendous aggregation that is now in Hampton Roads and that will shortly be augmented. Unequaled in the history of American naval displays it will yield precedence only to the great gathering of British and foreign ships assembled off the Isle of Wight at the time of Queen Victoria's diamond jubilee. No other exposition in all history ever had such an asset.

The Advocate's young ladies will spend a whole week at the Exposition, stopping at Washington on the way for a day.

Then will come a daylight steamer ride to the Exposition city. The party will number 10 besides the chaperon, who will be named by the contestant who gets the largest vote. This fortunate young woman will continue her journey with her chaperon on to New York.

Advocate readers will pick the 10 young women who will enjoy this

trip at this paper's expense. It is not too late to enter the contest now. One young lady who started about five days ago is already among the leaders. Talk to your friends and to the Advocate. Enter now and win.

OUT DOOR SPORTS FOR ALL CLASSES

The winter schedule in the Y. M. C. A. gymnasium closed with March. The business men's class and special team work continue right through the summer, but the majority of the fellows get out of doors these warm days. The baseball diamond committee is planning extensively for the out door work.

The baseball diamond and tennis courts on Eleventh street, are being repaired and will be ready for use in a few days. Large repairs have been made on them owing to the recent flood and the circus. Tennis tournaments and baseball leagues are being organized. There will be a tennis tournament for novices and others for the more expert. A novice club is being organized for the purpose of giving all an opportunity to learn this great summer game.

Grammar school, industrial and Sunday school baseball leagues are a process of organization. There has been some talk of organizing a golf club. All interested in any of these sports are urged to ask about them at the office.

The difference between health and disease is largely a question of exercise. Play is one of nature's methods of promoting physical growth, of stimulating mentality, of developing social leadership, of cultivating moral and spiritual qualities, of relieving irritability, of giving us strength and vigor. Therefore let us play and play without a qualm of conscience.

Cures baby's croup, Willie's daily cuts, and bruise, mama's sore throat, grandma's lameness — Dr. Thomas' Electric Oil—the great household remedy.

AN OLD SEWER.

In the water works construction now going on on Locust street, the excavators came across an old "pipe" line that was of peculiar construction for us moderns. It was built square, with an opening of about ten inches instead of round, as is now the custom. The sides were of brick, resting on a plank about a foot square, while the cap was of free stone. The line was used to convey water from one cistern to another—the cisterns belonging to the city, and the water was used for fire purposes.

It is also interesting to read on the strata exposed the tale of this part of the city. The ground apparently was low and swampy in the old time, being at the foot of a considerable hill, and you can observe two or three feet down where your grandfather, may be, had to bustle out with the ashes that helped make the crossings.

GRANVILLE NEWS

Granville, May 12.—Thomas Hughes, a well known young man residing a short distance north of the village, had the misfortune to meet with a very painful and serious accident on Saturday. He was standing on a step ladder engaged in trimming a tree, when the ladder suddenly gave way beneath him and he was precipitated to the ground with great force. In falling he struck the ground on his right side, breaking the arm near the wrist and otherwise injuring himself. A physician was hurriedly sent for and the injured man was given prompt attention. It will be some time before he will be able to work.

Mr. and Mrs. Charles Mallory of Toledo, who have been visiting relatives and friends in Granville and vicinity for the past week, returned home Saturday.

Miss Eva Herald of Fostoria, after a pleasant visit here, has returned home.

Mrs. Margaret Simms of Cleveland is visiting her father, Rev. F. C. Wright at his home on College street, for a few days.

Miss Minnie Harter of Mansfield, spent Sunday in the village.

Thomas Peters of Hillsboro, after a short visit here, returned home on Monday.

W. H. Jones of Mt. Vernon spent Sunday at the home of Rev. F. C. Wright.

Mr. J. H. McConnell and daughter of Cambridge were guests of Mr. and Mrs. W. H. Kussman, Sunday.

WELCOMED BY THE WHOLE FAMILY.

Old and young, rich and poor—all express their delight with this wonderful new remedy, Blackburn's Castor-Oil-Pills. It is probably the most meritorious and satisfactory physical for old and young that was ever prepared. Obnoxious purges, violent cathartics and so-called "candy laxatives," made of Senna and sweetened with sugar and licorice have had their day, and the people, so the druggists tell me, are about done with them. DEATH RELIEVES THE SUFFERINGS OF JUDGE TAYLOR

EX-PROBATE JUDGE PASSES AWAY MONDAY MORNING AT COLUMBUS.

Was Prominent in Politics for Years and Well Known Throughout State of Ohio.

Judge Waldo Taylor is dead. He passed away at the State Hospital, Columbus, Monday morning at 5:45 o'clock, after an illness of several years with paresis. Death was not unexpected and came as a relief to the pain-racked body.

Perhaps no man in Central Ohio had a more extended acquaintance than Judge Waldo Taylor. In his home county of Licking he was known by nearly every one of the older residents and in the neighboring counties he was on terms of intimate acquaintance with almost every prominent business man. Like all men he had his faults and foibles, but he also possessed and practiced many virtues. He hated sham and hypocrisy, and never lost an opportunity to denounce them in unmeasured terms. When the news of his death was received here Monday many expressions of regret were heard on all sides.

Judge Waldo Taylor was born in Licking county, Ohio, January 3, 1838. After passing his boyhood up on a farm, he attended Denison university, Granville, for a time, and Jefferson college of Cannonsburg, Pa. During his life Judge Taylor was heavily loaded with the honors of office. In April, 1861, when 23 years of age, he was made supervisor of the road district from Newark to Granville. In April, 1865, he was elected township clerk, and at the expiration of his clerkship declined re-election. He studied law under the late Hon. Gibson Atherton, and was admitted to the bar in 1861, and practiced in the United States court in 1867. He was one of the originators of the Newark, Somerset and Straitsville railroad, in which enterprise he took a prominent part, and was at one time one of the heaviest stockholders in the same. He was also secretary and treasurer of the Licking County Agricultural Society on July 4, 1863, he was elected captain of Company A, First regiment Ohio Militia, in Licking county, and on August 31, same year, was chosen lieutenant colonel of the same regiment. He also served as a justice of the peace and was Probate judge of Licking county three times. He was first elected in 1872. His two last terms began in November of 1898.

The deceased is survived by one brother and one sister, Mr. J. B. Taylor of Chicago, and Mrs. Charles T. Dickinson of Pittsburgh; also two nephews, C. A. Jewett of Sioux Falls S. D., Fred Dickinson of Wheeling W. Va., and one niece, Mrs. Mamie Hamokey, of Boise City, Idaho.

Mr. J. W. Sasser who for a long time faithfully cared for the deceased before he was taken to the hospital left for Columbus Monday on the 12:40 p. m. train and will return with the body Monday night at 9:20 o'clock. At this writing it is not known when the funeral will be held.

MISS JENNIE JONES HAS PASSED AWAY

For Years Miss Jones Was a Prominent Teacher in the Newark High School.

Miss Jennie Jones, for years a prominent teacher in the Newark High school, died at her home 138 North Fourth street at a quarter past one o'clock Monday afternoon. The announcement of her death came as a shock to her many friends in the city though she has been quite ill since last February, suffering from throat trouble.

Miss Jones was born in Newark township and for 33 years has been a resident of Newark. For 30 years she was one of the valuable members of the faculty of the Newark High school, retiring from the service some three years ago.

She leaves one brother, Thomas P. Jones of Union Station, O., and three sisters, Misses Sara P. and Elizabeth Jones both of whom reside at 138 North Fourth street, and Mrs. Harriet Wilson of Winfield, Kas.

A peculiar coincidence of Miss Jones' death is the fact that her passing away occurred but a short time after the death of Miss Emily Moore, both of whom were for many years in the High school together.

Miss Jones was one of the most faithful teachers the High school has known since its organization. She not only taught from the text books provided in the school, but regarded the interests of each individual pupil in her class as her interests and specially prepared them for their future lives. She was thoroughly conscientious in all that she undertook and

her pupils and friends all appreciated her true worth.

MRS. JENNIE SMITH. Mrs. Jennie Smith died at the home of her parents, Mr. and Mrs. John W. Sutley, 90 Wilson street at 7:30 p. m. Saturday, aged 36 years. She has been ill quite a while with dropsy and the end was not unexpected. There survive her parents and four brothers and one sister, and all have the sympathy of their friends in their bereavement. Funeral service will take place Tuesday at 2 p. m. from the residence. Rev. J. A. Bennett will officiate.

DAVID T. COLE'S FUNERAL.

The funeral of David Cole was held Monday afternoon from his late residence on South Fourth street, and was under the auspices of the Newark Odd Fellows, of which he was a member. The services were conducted by the Rev. L. C. Sparks pastor of the First M. E. church and the interment was made in the Cedar Hill cemetery.

MISS MARY CARROLL.

The body of Miss Mary Carroll who died Friday, arrived in this city yesterday via the Pan Handle route from the undertaking parlors of J. J. Gilligan, Cincinnati. The remains were accompanied by Miss Josephine Carroll and taken to the residence of Police Officer Patrick Carroll. The funeral took place from the St. Francis de Sales church at 9 o'clock this morning.

MRS. CAREY'S FUNERAL.

The funeral of Mrs. Ann Carey, which took place yesterday afternoon from her late residence, 258 North Fourth street, was a largely attended one. Services were held in the family residence, the Rev. Mr. Mitchell of the A. M. E. church officiating. He was assisted by a trained choir consisting of eight voices.

During the services every available space in the residence was occupied, there being present many friends and relatives from Zanesville, Columbus, Granville, Coshocton and this city. Floral tributes were in profusion notably so a pillow of carnations from Mr. and Mrs. John H. Kates, several other pillows from friends and relatives and a beautiful "Gates Ajar."

Interment was at Cedar Hill cemetery, the pallbearers being Warren Walker, T. L. Craig, Daniel Guy, Frederick Williams, Charles Henry and Samuel Henry.

A SLIGHT MISTAKE.

Result of Becoming Interested in Reading a Newspaper. The prospect of a dinner will generally keep a hungry man awake. But the victim of absentmindedness seems at times unable to distinguish between what to eat and what to leave. This was the case with the man who went into a London restaurant, called for a newspaper and only when roused from his reading by a waiter ordered coffee and a ham sandwich. The waiter executed the order and deposited with the homely fare a large pasteboard check. The absentminded one went on reading his paper.

Some quarter of an hour after the waiter returned. "Anything more, sir?" he said. "Yes," snapped the man; "get me a fresh sandwich; the one you brought me was dry as a bone." The waiter looked down and gasped. "Lor!" he exclaimed, "here's the sandwich I brought! You've eaten the check!"

SCHOOL HAS CLOSED.

The Coshocton school, Madison township, taught by Mr. Mac Mossman, closed Friday with appropriate exercises and a picnic dinner provided by the good ladies of the community. The pupils rendered their part of the program in a manner that won the admiration of all present. Hon. O. C. Larason and Dr. Homer L. Davis, of Newark, were present and delivered addresses replete with inspiring sentiments. The one regret of all was the inability of Dr. Homer L. Simpson to make an address. He was temporarily indisposed because of overwork.

It is calculated that the average temperature of the north pole is 10 F., that is 22 degrees of frost.

MEN ADMIRE

a pretty face, a good figure, but sooner or later learn that the healthy, happy, contented woman is most of all to be admired. Women troubled with fainting spells, irregularities, nervous irritability, backache, the "blues," and those dreadful dragging sensations, cannot hope to be happy or popular, and advancement in either home, business or social life is impossible. The cause of these troubles, however, yields quickly to Lydia E. Pinkham's Vegetable Compound made from native roots and herbs. It acts at once upon the organs afflicted and the nerve centers, dispelling effectually all those distressing symptoms. No other medicine in the country has received such unqualified endorsement or has such a record of cures of female ills as has

Lydia E. Pinkham's Vegetable Compound

Miss Emma Runtzler, of 631 State St., Schenectady, N. Y., writes—"For a long time I was troubled with a weakness which seemed to drain all my strength away. I had dull headaches, was nervous, irritable, and all worn out. Chancing to read one of your advertisements of a case similar to mine cured by Lydia E. Pinkham's Vegetable Compound, I decided to try it and I cannot express my gratitude for the benefit received. I am entirely well and feel like a new person."

Lydia E. Pinkham's Vegetable Compound is the most successful remedy for all forms of Female Complaints, Weak Back, Falling and Displacements, Inflammation and Ulceration, and is invaluable in preparing for childbirth and the Change of Life.

Mrs. Pinkham's Standing Invitation to Women

Women suffering from any form of female weakness are invited to promptly communicate with Mrs. Pinkham, at Lynn, Mass. Her advice is free and always helpful.

Spring In Cactus Center.

The sun shines on the desert in a dazzling flood of white. And the stars appear much nearer in the calm and balmy night. The cactus are a-roilin' 'gainst the warm adobe walls. And you'll find a bunch, contented, where each bit of sunshine falls. The bronchos' heads are droopin' as they stand up to the rack. And each burro is a-rollin' fer to get rid of its pack; Every squaw that comes a-tradin' is asleep on her cayuse. And the hull south-west is sayin', "Spring is here, so what's the use?" From the town's edge rolls the desert, like a magic, painted sea. And across it voices whisper: "Mount, you puncher. Ride—be free!" But I merely roll another, and I doze and smoke and doze. 'Cause the Cactus in the springtime is hypnotic, goodness knows! —Denver Republican.

SCENES IN GREAT LONGSHOREMEN'S STRIKE IN NEW YORK.

New York, May 10.—With every transatlantic and coastwise steamship of the port of New York crippled so far as freight handling is concerned, representatives of the companies at a meeting today resolved to withstand the demands of the striking longshoremen and fight it out on the principle that the present rate of wages is ample. More than a score of companies are committed to a fight which may affect the transportation of freight for some time, and each and every one of them will remain in the contest until the end. Rather than pay the men wages which they regard as extortionate they will depend entirely on the passenger service.

Another School Closed.

The district school, called the Minnesota school, in Newark township, about two and a half miles northwest of Newark, closed Friday. Mr. Chas. Hoover has been the popular and efficient teacher for the past two years.

At the noon hour a big dinner was served the parents and scholars, and in the afternoon a program of musical and literary exercises, consisting of declamations, essays, dialogues, etc., was carried out, which was very entertaining and pleasant. A short, though interesting address was made by Mr. William Snelling.

Dangerous Condition.

Mr. Larry Prior, formerly a well known resident of his place, but for the past ten years an employee of the B. & O. railroad shops at Zanesville, underwent a serious operation at the Good Samaritan hospital in that city some two weeks ago for abscess in the lung cavity, and several sections of the small ribs were removed. It was hoped at the time that Mr. Prior would ultimately recover, but he has not improved and it was learned on Sunday that he was in a very dangerous condition. Mr. Prior is a son-in-law of Mr. John Stapleton, of this city, and has many friends and acquaintances in Newark who will be sorry to hear of his threatened demise.

Divorce Suit.

Annie Beesler has commenced suit in the Probate court for divorce from Wesley Beesler. The parties were married November 7, 1906, and no children were born of the marriage. The plaintiff charges the husband with infidelity, extreme cruelty and failure to provide. She says her husband is a molder by trade and earns from \$4 to \$6 per day. She asks for divorce, reasonable alimony and restoration to her maiden name of Annie Kegg. Smythe & Smythe attorneys for the plaintiff.

To Establish Road.

In the matter of the establishment of the county road petitioned for by J. F. Keller and others, Mrs. Jennie Brister has filed a notice of her intention to appeal the case to the Probate court from the final order under May 9 of the county commissioners, establishing the road as prayed for. The matter is taken up on several questions, one of which is the amount of damages allowed.

Inquest Held.

An inquest was held Monday on Bernice R. Redman, the six year old daughter of Mr. and Mrs. J. W. Redman of this city. Upon the testimony of the father and Dr. S. D. Stepped on Girl's Train.

Leeds, Ky., May 12.—Thomas Horn was killed by James Campbell and the murderer was arrested. The men attended a dance and it is said Horn stepped on the skirt of Campbell's girl and he was invited outside, where he was hit over the head with a black-jack by Campbell, and instantly killed.

IN POLICE COURT.

A large number of minor cases, drunks, train riders and loiterers were fined in Mayor McCleery's court Monday morning and sent to the stone pile.

U. G. Gregg, the saloonist, who was

arrested last Sunday on a charge of keeping open on Sunday, was again arrested Sunday by Officers Liming and Abbott on the same charge. Gregg insisted that he was not open for business that he merely had his place open to ice his cooler. The case was continued in Mayor McCleery's court Monday morning.

Samuel Holton, aged 18 years, a son of a prominent farmer near Wilkins Corners, was arrested Saturday by Chief Sheridan on a charge of burglary in the day time. It is charged that he entered the home of Ernest H. Strader at Wilkins and took a small bank containing about \$10. He waived examination and was held to the grand jury.

Satire of a Logger. In the pine clad hills of California the country folks had gathered at a neighbor's house to spend the evening in a social dance.

The male contingent of the gathering was composed of farmers, mill men and logging hands; the fairer sex, the wives, sisters and sweethearts of the men and the district schoolteacher, who was the center of attraction of the young men and who seemed to be aware of her own popularity.

During the evening an awkward, bashful and roughly dressed logging hand was introduced to the schoolteacher and asked if he might have a dance with her.

The schoolteacher drew herself up haughtily and said, "No, sir; I am particular with whom I dance," whereupon the logging hand replied, with an air of indifference, "I am not a mite or I would never have asked you."—Judge's Library.

What He Thought. An Irishman who wasn't much of a hunter went out to hunt one day, and the first thing he saw to shoot at was a blue jay sitting saucily on the top of a fence. He blazed away at the bird and then walked over to pick it up. What he happened to find there was a dead frog, which he raised carefully at arm's length, looking at it with a puzzled air. Finally he remarked:

"Well, begob, but ye was a devil of a foine lookin' bird befor Oi blew the fithers off o' ye!"

Honeycomb Economy. "Mary has developed into such an economical housekeeper!"

"It doesn't seem possible." "She tells me that her dinners really don't cost her anything."

"Good gracious!" "You see, she and George invariably go to her old home and dine with her father and mother."—Cleveland Plain Dealer.

A Matter of Civic Pride.

Newark is awakening in matters pertaining to the city as a whole and is realizing that to attain anything concerted action is necessary. The commercial organizations of the city have been "hustling" the last few months, with what results, everybody is aware. The Civic League for the improvement and beautification of Newark is doing a great work. It is important to realize that not only the commercial side and the beautification of Newark are of immense value but also, anything which tends to give to the people a higher grade of art, of literature, of music are to be heartily welcomed. In this field the Festival Association is doing the city much good; it is a movement which should receive the enthusiastic support of all good citizens. This is a critical period in the life of this organization and if successfully passed will mean years of increased activity. Newark has the biggest and best Festivals of any city of its size in America; shall we continue them or not? The Advocate is heartily in favor of any movement which will help the realization of greater Newark and recognizes in the Festival Association a most potent means toward that end. We therefore hope to believe that all Newark will and I support this movement.

SYMPATHY

FOR ESCAPED CONVICT WHO HAD LED AN EXEMPLARY LIFE

And Petition For His Parole is Being Circulated in Michigan Cities.

Jackson, Mich., May 12.—After two years of freedom during which he tried to atone for past misdeeds by hard work and decent living, John Allison, member of the notorious Lake Shore gang, who was sentenced to 17 years in prison for participating in the Richland, Mich., bank robbery and escaped in 1904, is back in the Jackson penitentiary to serve out his remaining twelve years unless he secures a parole or pardon because of his good record during the two years of freedom. The Lake Shore gang spread terror through southern Michigan and northern Ohio and Indiana in 1898 by their robberies. When Allison escaped he made his way into Illinois, took a new name, went to work as a mechanic and married Mrs. Wagner, a widow with four children. Allison married the widow without disclosing his past. Months after, just before the birth of their baby, he told the story to his wife, who said that they would try to forget it and live the old life. However, the mechanic at work in the plow works at Moline, Ill., finally was recognized as the escaped convict Allison and was arrested. He had been a good mechanic, faithful and well liked. He was immediately returned to the prison here. Allison's fellow workmen in the plow works raised a money purse for Mrs. Allison and she came to this city, where she might be near her husband and could work for his release. Twice a month on the visiting days she has a brief talk with him and he fondles his baby.

Allison's blameless life after his escape and his manifest effort to forsake entirely his former companions and habits has aroused much sympathy for him, and he seems to be in a fair way to secure the longed-for parole. Fortified by a long petition for his release, signed by his former associates in Moline, Allison will make formal application to the pardon board for clemency.

DEBATE

Last Saturday evening St. Louisville was the scene of a hotly contested forensic contest. The question, "Resolved, That the government should own the railroads and other public utilities," was debated by Geo. T. Tavenner, G. W. Marriott, and W. L. Fisk in the affirmative, and Wylie Coffman, W. L. Moxley, Robert Riley, and Will H. Miles in the negative. The house was called to order by Mr. Riley. Mr. Roy Campbell was chosen presiding officer for the evening.

The following gentlemen were chosen for judges: Mr. John Corbett, Mr. Charles Clutter, and Mr. Archie McDaniel. The decision was two to one in favor of the negative.

The house was crowded with an audience composed in the majority of voters and the attention which they displayed showed the interest which they had in the question.

I am told that the porcupine and wild cat, and other once inhabited Licking county, and I would be thankful for information on the subject—especially thankful for stories about these or other early animals.

FORAKER'S VIEW OF CONFERENCE

Question of Indorsement Should Be Settled by State Convention.

ISSUES REPLY TO BURTON

Will Not Regard as Binding Any Action Taken by Individuals or Committees—Not Involved in Any Deal or Compromise—Republican Meeting at Columbus.

Washington, May 12.—Senator Foraker's announcement that he will not regard as binding upon either himself or his friends the action taken by the Columbus conference of Republican state leaders Wednesday was received with indifference by the friends of Secretary Taft. They pointed out that the so-called harmony conference was not asked for by the friends of Taft, but was called by the Foraker people with the evident purpose of trying under a harmony plan to force through a resolution endorsing Foraker for the Senate and Harris for the governorship, as well as Taft for President.

It has been already demonstrated, Taft's friends say, that this program could not have succeeded and that the resolution endorsing Foraker in the same breath as Taft, would be beaten in Wednesday's conference. It is believed that Foraker himself realized this and the charge that this is the reason for the issuance of his statement last night. From their first Taft demanded that the presidential nomination and senatorial nomination be considered as two entirely separate and distinct matters.

COX REFUSES TO TALK.

Cincinnati, O., May 13.—George B. Cox refuses to discuss Foraker's statement. When asked whether he (Cox) would be a candidate for United States senator and whether Senator Dick is allied with him in his ambition, Cox said he would have to refuse to discuss the subject at this time.

Washington, May 12.—Senator Foraker, replying to Senator Burton, issued the following statement on the political situation in Ohio:

"Mr. Burton's statement is likely to create a false impression. So far as I am concerned, no effort whatever has been made to make a deal or a bargain or a compromise with anybody about anything. The statement put out by Mr. Cox was his own, and he made it on his own motion, and certainly not in my interest nor with my approval. At the same time, I thought he was striving for party harmony and that his purpose was a laudable one and I was willing to accept the results if the convention should act favorably upon his recommendations, not because I was included in his plan of compromise, but because I was willing to conform to anything reasonable that party good might seem to require.

"I think it the first duty of any man who believes in Republican principles and aspires to represent them, to contribute all he can to party union, strength and victory. In saying what I did in response to Mr. Cox's recommendations, I went as far, however, as I can go, consistently with self respect. It would have been very gratifying to me if all strife and contention could be avoided, not on my own account but for party good; but inasmuch as that seems impossible—judging by what I learn from the newspapers and otherwise as to the attitude of the friends of Secretary Taft—I think it due to my friends and to the whole body of Republican voters in the state to announce that all questions of indorsement and nomination should, in my opinion, be deferred until the next state convention can act upon them. That is the only body that has power to authoritatively speak on such subjects. I shall not, therefore, regard as binding upon me or on any of my friends, any action that may be taken in the meanwhile by any individual or any committee or committees not specifically authorized to settle these questions for the Republicans of Ohio.

"After the November elections are out of the way, I shall accordingly as heretofore announced request the state central committee in issuing its call for the next state convention to provide that the delegates shall be elected from the various counties at primaries duly held under the statute in such case applicable, to the end that the voters themselves may have an opportunity to determine as they should what is to be done as to all matters in which they will at that time be interested.

"I take advantage of this opportunity to say that all nominations and indorsements that can be properly and authoritatively made only by the state convention should be left for that body to deal with. Efforts to settle them in advance by unofficial, individual announcement or committee action, no matter how well intended, usually do more harm than good.

"I make this last statement because of the newspaper announcement that call has been issued for a meeting of the Republican state central and executive committees with the county chairmen and the Republican members

or congress to be held in Columbus, May 15, at which it is proposed to confer about the political situation in Ohio and possibly take some action with reference thereto. My public duties make it impossible for me to attend if I desired to do so, but without meaning to be disrespectful, in view of the fact that such a meeting would have no authority to bind any one on such matters, I would not attend if I could."

TAFT'S FRIENDS

To Insist on Secretary's Indorsement, Senator Dick's Statement.

Columbus, O., May 13.—At the joint meeting here Wednesday of the Republican state central and state executive committees and Republican leaders, friends of Secretary of War William H. Taft, led by Arthur I. Vorys of Columbus and Congressman Theodore E. Burton of Cleveland, according to authorized statements of those in the confidence of the Taft organization, will insist on an unqualified indorsement by the committee of Secretary Taft as Ohio's choice for the presidency, and will stubbornly oppose the linking of that indorsement with the prospective contests for either United States senator or governor.

The report that Senator Dick would father a resolution in the committee, coupling together indorsements of Senator Foraker and Governor Harris, both for re-election, was denied by Senator Dick, who said: "I have not contemplated introducing such a resolution and do not expect to do so." Senator Dick declined to further discuss political affairs in advance of the meeting. Dick will attend the committee meeting, and he and John R. Malloy of Columbus will be among those who will look after Senator Foraker's interests, but along just what lines they are not ready to disclose.

Congressman Theodore E. Burton, who left here for St. Louis, where he is to deliver an address, positively declined to make a definite statement as to his position in connection with the senatorship. Close political friends of Mr. Burton say it will probably be several weeks before a formal announcement as to whether or not he will become a candidate against Senator Foraker will be made.

Wants Conference Called Off.

Dayton, O., May 13.—Congressman J. Eugene Harding issued an open letter to Chairman Charles Dick of the Republican state central committee, asking that he call off the conference of Republican committeemen, both central and executive, of county chairman and Ohio congressmen arranged for Columbus Wednesday. Mr. Harding says: "The chief and primary ground of my opposition to the call lies in the fact that it was not issued with any reference whatever to any alleged knowledge of the present wishes of the Republican party of Ohio."

Burton's Statement

Cleveland, O., May 13.—Congressman Theodore Burton, in a statement made in this city, said: "Secretary William H. Taft has conscientiously refused to enter into any deal under which he should have the support of the Republicans for the presidency and in consideration thereof Mr. Foraker should be indorsed for the senatorship. Such an arrangement would savor of a political bargain and would awaken criticism because the two were supposed to represent different ideas, especially in regard to the policies of the administration of President Roosevelt."

FREE TO RHEUMATISM SUFFERERS.

A Full-sized 75c Bottle of Uric-O, The Only Absolute Cure for Rheumatism Ever Discovered.

WRITE FOR IT TODAY.

We want every man or woman who suffers from Rheumatism and has lost all faith in remedies to write us today for an absolutely free trial of the famous Smith Prescription Uric-O for Rheumatism. Uric-O will cure it and cure it to stay cured. No faith is required while taking this superb remedy. You take it according to directions, and you will be cured in spite of yourself and any doubts you may have as to its efficacy. We don't ask you to buy Uric-O on faith. We'll buy a large 75c bottle for you and make you a present of it, if you will agree to take it according to directions.

We could not afford to do this if we didn't have all the confidence in the world in Uric-O and know that after you are cured you would have no hesitancy about recommending the remedy to all your friends and acquaintances who are suffering from Rheumatism. This is the method that has made Uric-O famous wherever it is introduced. The cure of several so-called Rheumatic Incurables in a community means a steady sale of Uric-O in that vicinity. Uric-O is good for Rheumatism and Rheumatism only. It acts upon the blood by driving the uric and poisonous rheumatic acid from the system. This is the only way Rheumatism can ever be cured and it is the Uric-O way. Most druggists sell Uric-O, but if you want to test it out this notice and mail it today with your name and address and the name of your druggist to The Smith Drug Co., Syracuse, N. Y., and they will send you a full-sized 75c bottle free.

Uric-O is sold and recommended in Newark by Frank D. Hall, North Side Square.

NARROW ESCAPE

FROM HORRIBLE DEATH HAD B. & O. BRAKEMAN J. C. WRAY.

Sagging Trolley Wire Strikes Him Knocking Him Down on Top of a Car.

Mr. James C. Wray a brakeman with the B. & O., while going north Sunday noon on his run, was knocked down on the footboard of a car by the electric line trolley wire at East Main street, which was slack and hung dangerously low. Wray sustained severe injuries to his back and head and is still suffering much pain, but the physician in attendance is of the opinion that he will be able to be out soon. Mr. Milton Taylor a member of the Board of Public Service, fortunately was near and saw the accident and being an old railroad man, knew what to do and was able to have the train brought to a standstill at Locust street, where the Bowers & Criss Brothers' ambulance was summoned and quickly conveyed the injured man to his home, 180 South Fifth street.

Mr. Wray had a narrow escape from instant death, for had he rolled from the top of the car he would have been ground to pieces.

The electric railway people immediately repaired the trolley wire.

New Uniforms.

The new spring uniforms for the B. & O. passenger employees will be donned Wednesday, May 15. Nothing like sprucing up occasionally.

Conductor Spence Recovering.

Mr. Taylor Spence is now able to be out and was in his yard Sunday at his residence in Columbus, enjoying the air. His friends hope to see him on his run soon again.

Railroad Notes.

Messrs. Wm. Lamb and W. C. Smith, popular B. & O. passenger conductors accompanied by their wives, went to Memphis, Tenn., Sunday to attend the O. R. C. convention now in session at that city.

The B. & O. railroad had Sunday on train 14, the Leone Johnson theatrical company en route from Cincinnati to Pittsburgh.

The plan of railroads to compel passengers to buy tickets before entering trains by requiring them to pay an additional 10 cents when cash fare is paid the conductor, was declared contrary to the 2 cent fare law of Ohio in a decision of the Circuit court rendered at Bellefontaine.

(From the Railroad Gazette, May 10th.)

Chicago Terminal Transfer, the B. & O. R. R., has provided the "United States Trust company" with funds to pay off the \$15,100.00, first mortgage 4 per cent bonds of the Chicago Terminal Transfer, at par interest. The property was to have been sold under foreclosure on May 3, but the action of the B. & O. means an indefinite postponement of any such sale. The trust company began paying off the bonds May 8. The principal and accrued interest on the bonds amounts to over \$17,000.00. It is understood that the B. & O. borrowed about \$10,000.00 from New York bankers on 30 days or 60 days notes. The company had on hand about \$25,000.00 surplus, but it was so scattered that it was more convenient to borrow part of the money necessary for the retirement of the Chicago Terminal Transfer bonds.

GENERAL NEWS OF BUCKEYEDOM

BIENNIAL NATIONAL CONVENTION OF CATHOLIC KNIGHTS OF AMERICA.

Toledo Merger—Presbyterian Assembly—Eloper in Jail—Acid Explodes—Convict Cuts Finger.

Cincinnati, O., May 13.—Preliminary to the opening Tuesday of the biennial national convention of the Catholic Knights of America, the annual communion service of the knights was celebrated at St. Mary's church. Many of the three hundred delegates have arrived and attended the solemn service, following which there was a general meeting addressed by officers of the order. Monday night the delegates will be welcomed in a general reception and the five days' business sessions will begin on Tuesday. A class of 100 candidates is to be initiated Tuesday night.

Of Interest to Artists.

Cincinnati, O., May 13.—Artists and art lovers will gather next Saturday afternoon in the Art museum to rejoice over the acquisition of a handsome new building, to be devoted to sculpture, which has recently been annexed to the museum. The structure is called the Emma Louise Schmidlapp building, and is the gift to Cincinnati of J. G. Schmidlapp, in memory of his daughter, Emma Louise, who was fatally injured seven years ago in a railroad wreck.

Toledo Merger.

Toledo, O., May 13.—A deal was consummated by which the Toledo Railway and Light company, owned by the Everett-Moore syndicate, takes over the Toledo Gas, Electric and Heating company, forming a merger of the street railway and electric lighting and power business of Toledo under control of the concern which controls all but three of the interurban lines entering the city. A vast sum of money is involved.

Presbyterian General Assembly.

Columbus, O., May 13.—The general assembly of the Presbyterian church in the United States will convene in this city next Thursday when reports of its missionary and other work will be received. For the first time since the vote for reunion, delegates from the Cumberland Presbyterian churches will be seated in the assembly as delegates and the union of the two denominations will be complete.

Quarreled With Daughter.

Dayton, O., May 13.—Anthony Balke, 70, who had taken carboic acid, was found dead in bed. Balke and a daughter occupied the family home. The two quarreled and the daughter left. The old man grieved over the quarrel and announced that he intended to kill himself, and made good his declaration.

Eloper in Jail.

Martins Ferry, May 13.—S. G. Robinson, son of the president of the city council, who recently eloped with a woman of this city, is in jail at St. Clairsville, awaiting the action of the grand jury on a charge of perjury. He gave his age as 21, whereas he is but 17 years old.

Acid Explodes.

Columbus, O., May 13.—Earl Berry, 19, son of R. H. Berry of the Buckeye Paste company, was killed by explosion of acid at the paste works. Besides being burned he was affected by fumes of the acid.

To Escape Work.

Columbus, O., May 13.—Albert Barnes, convict in the penitentiary from Franklin county, cut off index finger of his right hand with shears to escape hard labor. He is serving his second term for burglary.

TUESDAY THE 14TH.

The reservation of seats for the Festival will occur as follows: Tuesday, May 14, Patrons. Wednesday, May 15, Members. Thursday, May 16, Children and Public Sale.

The Auditorium box office will be open from now on until the opening of the Festival from 9 to 11:30 a. m. and 2 to 4:30 p. m., and on Saturday evenings. The sale of single seats will be large and the management advises the purchase of course tickets at \$3. These are reserved before the public sale. These may be gotten at the box office or at Rawlings' music store or at Collins' drug store.

BUCKET BRIGADE PUT OUT FIRE

An alarm of fire sent by telephone about 10:30 o'clock Sunday morning called the Central fire company to the dwelling house owned by a Mr. Kiwell on East Railroad street, which is occupied by about thirty Hungarians. A second alarm sent from Box 24 called the East Newark company to the scene of the fire. The fire originated from a spark from the chimney and when discovered the roof was burning in such a manner that it looked as though the building was doomed. The Hungarians however, formed a bucket brigade and soon had the fire extinguished with but small loss.

DANGER in Cheap Baking Powder

There's something wrong with any baking powder that is offered at a "cut price" or sold by the aid of "prizes" or "premiums."

That "something" may be alum, or chalk, or ammonia, or pipe clay, or lime, or cream of tartar or tartaric acid.

But the "sure sign" that it's there, in some form, is the price or offer of the cheap price.

This stuff costs the maker from one to four cents a pound. No wonder he can afford to bribe you with "prizes."

It costs you and your family, indigestion and Chronic Dyspepsia.

Alum and tartaric acid are corrosive poisons, and should not be taken in food. The other ingredients in these imitation baking powders are equally dangerous. They irritate the stomach and bowels like so much sand, and they get into the blood and poison the whole system.

Isn't there any baking powder that's pure and wholesome? Yes, Madam, there's one baking powder that is as pure, wholesome, sweet and nourishing as nice fresh eggs or wheat.

Egg Baking Powder is dried white egg and wheat phosphates. It makes the most delightfully light and appetizing dumplings you ever ate. It makes cake fit for a queen's table. It makes light, crisp, biscuits, waffles, fritters, muffins, griddle cakes, etc.—which stay light 'til the last mouthful.

Egg Baking Powder has the greatest leavening power of any baking powder known.

Examine the label and note the ingredients before buying a baking powder.

Send your name and address for the famous "Egg Cook Book." It is free. Best grocers sell Egg Baking Powder.

Newark fans yesterday greeted three new men who have not before appeared on the local diamond. They greeted them with a cheer and a handclap, not only because they were new men, but because they brought with them the stuff with which Newark was able yesterday to pluck a 5 to 0 victory from King's Sharonsites. It was Newark's new men almost exclusively who won yesterday's game. Big Ed Ascher who has not played in a home game before except a part of one of the exhibition events, made the shut out possible, and Bunny Pearce, Frank Gygil and Sandy Murray all new men, figured in the run getting in a way that delighted the 2000 bugs.

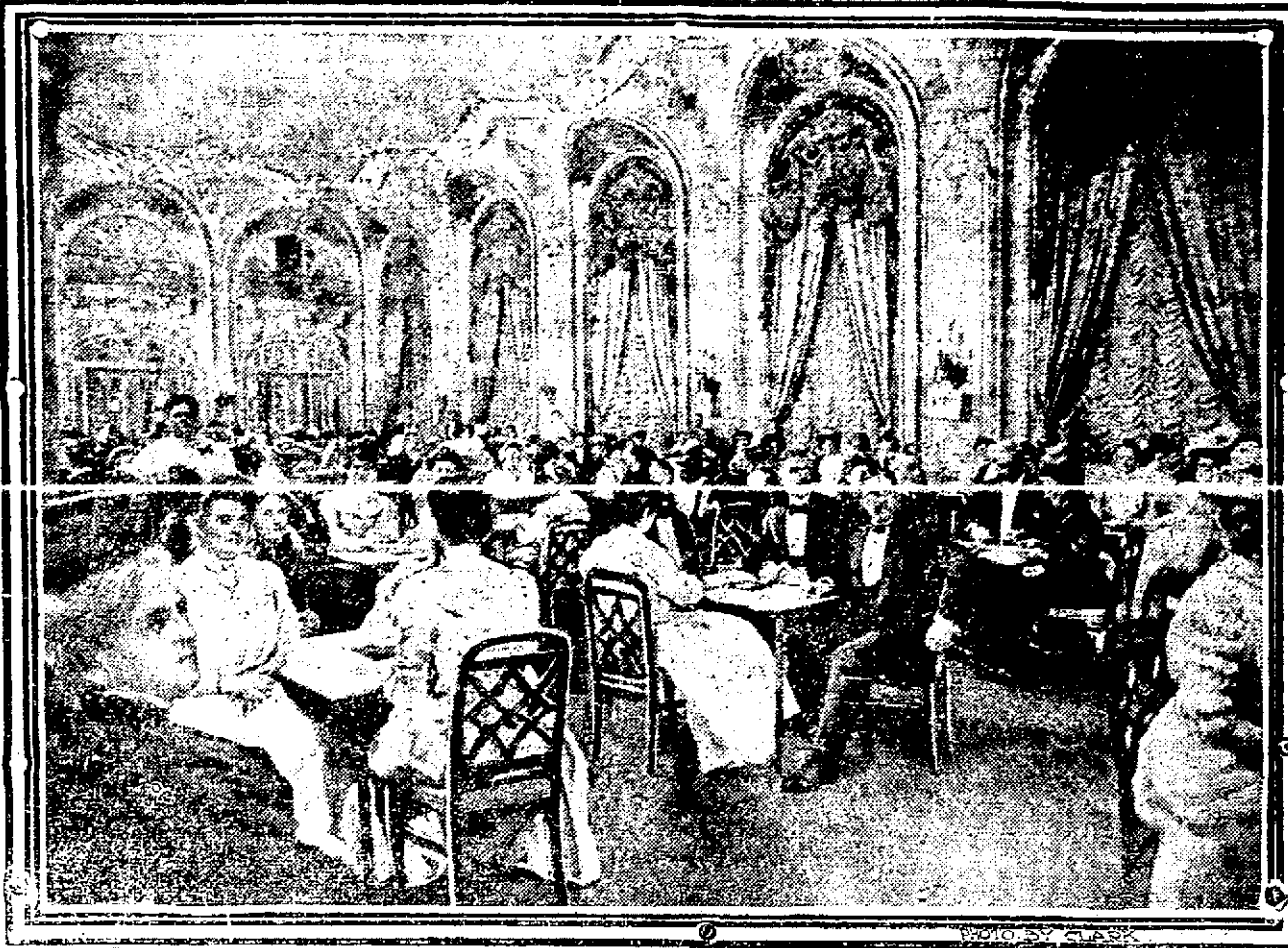

Sharon would hardly be recognized as the disorganized, happy-go-lucky club that amused the fans by their half-hearted manner last season. A pitcher who was rather inclined to be wild at times and who was ineffective with the cushions, occupied proved to be Sharon's undoing. Edfeldt pitched a good game except— Those exceptions were his wildness and Newark's timely hitting. Perhaps Mr. Edfeldt could not help the latter exception, and we think he could not.

As for Newark's new infield, Frank Gygil on first was a big improvement over Jimmy Pearce, who was released last Monday. Murray on second filled the keystone position to perfection at short. With this infield all of whom are stronger men with the stick than any set of infielders who ever represented Newark, the Molders this season should easily take a first division position and retain it through the season.

How the Runs Were Scored.
Newark got a man on first in the opener when Walls walked. He stole second and Schweitzer fled out to Kerr, while Wratten got a scratchy hit. "Rats" stole second but Haval's hit failed to materialize and there was nothing doing, though it looked like a run or two.

It was in the fourth that the trio of counters were registered. Wratten led off with a scratchy single and Haval followed suit. Sam's bing went to right field and Wratten tried to reach third, but Mathay felded the ball nicely and made a perfect throw, while Haval went to second. With Murray and Gygil on the sacks Pearce ripped off a smasher to left

NEW YORK WOMEN WIN WHIST CHAMPIONSHIP.

SCENE AT THE ANNUAL CONGRESS OF THE WOMEN'S WHIST LEAGUE AT THE WALDORF-ASTORIA

NEW YORK, May 13.—Most important of the trophies at stake in the annual congress of the Women's Whist League at the Waldorf-Astoria for the last three days is the Washington, which at the conclusion of play last night went to the New Amsterdam Whist Club, of this city. This trophy is emblematic of the championship. Mrs. C. S. Waterhouse and Miss A. H. Taylor won the pair championship, with a score of 15.2. These players represented the Howell Whist Club, of Boston. The Omaha Club of Omaha, Neb., finished second, being only a fraction of a match behind the winners. This club was represented by Mrs. R. W. Bailey and E. H. Martin, who won fifteen matches net.

field that would have gone for a triple with any other gardener out there but Kerr. As it was Pearce scored a double, counting Sandy and Gyg. Pearce got to third and Ascher walked, but when the double steal was tried, Pearce was caught at the plate on a close play.

The ump's said Pearce was caught, though people in the grand stand thought otherwise. Owing to a strange ruling the ump's was declared to be right. Snyder assisted Ascher in his demise at second, retiring the side.

In the sixth Murray walked again after one man was dead. As usual he stole second, and when Gygil ripped off a scorching single, Murray came dashing home. Ascher singled to left field and Gygil tried to score on the fly but Kerr's throw was perfect and he was caught at the plate on another close decision by his ump's.

In the seventh Mr. Walls stopped a hot one from Mr. Edfeldt and took first. Schweitzer ripped off a hit that struck the left field fence and was good for a trio of cushions. Walls scored easily on the play.

Sharon had several narrow escapes from scoring. In the sixth Walls dropped an easy fly from Tooley's stick and the Irishman stole second, Ascher delivering a high ball to Pearce. He died there, though, as both men following died easy deaths.

Not until the seventh did Sharon get a hit. With two out, Clever and King each singled, Mattison who followed, hit to Haval who assisted Murray, retiring the side.

The ninth looked particularly bad for Newark when with one man hung on the hooks, Kerr singled. Sellers placed a hot one at Ascher's feet, which was fumbled, but Wratt got it and caught the middle fielder at first. Gygil hit a hot one to deep short which burned Haval enough to cause him to make a bad throw. With these two men on bases and Manager King at the plate it looked like Ascher's no run affair was gone glimmering. However, Mr. Murray took care of Mr. King and things were righted again and the bugs on the bleachers were sent home happy.

SUNDAY'S RESULTS.
Rutledge 11, Pratt Co. 2.
Meridith 12, Jewetts 2.

In a good game at Idlewild Park Sunday morning the Meridith team defeated the Jewett Car company team by a score of 12 to 2. It was a stronger bunch under Manager Bert Elliott's leadership yesterday than he had a week ago. He has strengthened at first base, right field and in his battery department. At that the Meridith team landed on the pitchers for 14 hits.

Young Winters got away with seven hits and these with the errors behind him counted for two runs for the car builders. Elliott's team played rather loosely in the field but showed great improvement over last Sunday's game. Score: R. H. E.

Local Team Broke Even With Teams
on the Road—Good Hitting by
Newark Men.

(By John A. Duffy.)
Sharon, May 13.—It was a marked down sale for the Three S team on Saturday afternoon. The Newark boys looked as big as Teddie's big Bill Taft and the .cc-tainted weather seemed to put a swatting edge on their battling eye as they touched up Malarkey for nine nice hits, and won the game in easy style by a score of 6 to 1.

The crowd was large, nearly 1500, ready to yell when the locals won. They yelled anyhow, for time and time again men were on the runway for the home team, but only once was the circuit completed. That was in the eighth when Patterson reached Gygil's angle on an error by the pitcher. He was the second man up and there was one man out. He laid the ball down in bunt style and Locke fumbled the pickup, advanced on a wild pitch and took third on Mathay's Texas leaguer, held it while Kerr flew to short, scoring when Sellers bingled. Snyder robbed Kling of a two-bagger and saved two more runs by making a sensational catch of the manager's long drive along the left field foul line.

Newark opened up the run getting with one man down in the second. Tooley went after a hard chance from Davis' bat, felded cleanly, but threw over Patterson's head and Davis took second. Gygil went out on a fly to first, and Davis scored on Pearce's single. Locke flew out.

Two innings flew by without a count until the fifth, when after Gygil had batted the air three times for strikes, Pearce waited for four, broke a commandment getting to second, slid into third when the catcher made an error and was disabled for a minute, Berryhill taking his place on the bag and scoring for him when Snyder hit after Locke struck out. Mattison made the star play of the day on a catch of a foul from Walls and closing the inning.

The visitors got into practice in the sixth for the fatal seventh by scoring once on two bingles. Schweitzer started the trouble by a little hit. Wratten and Haval went out in turn, and Davis brought the run over the plate with the second single. Gygil stroled to first over the wide ball route, and Pearce lifted one into Mathay's territory, which the felder pinched.

But that seventh—it was excursion rates around the bases with the woe venser for the local team. Hit and run appointments were used at the batting test while plates were laid at the home stand for three, and the expenses amounted to three singles and a mighty two-bagger by Wratten. While this was going on two men were out.

Locke and Snyder had gone down from third to first and pitcher to first. Then Walls hit a single over second. Schweitzer followed with another bingle. Wratten met one of Malarkey's curves for a two-bagger into left. Haval finished the work with a base hit, and when the smoke had cleared away Newark had three more runs glued onto the scoreboard.
Newark attempted a squeeze play in the first inning, but failed. Snyder had opened with a two bagger, taken third on a wild pitch before Walls struck out. Schweitzer got a base present, and Wratten missed the bunt for the play. Snyder was caught from catcher to third.

Kelly Clever shared honors with Mattison by making a great catch wore the brilliant spangles for Berryback of third, and Snyder, in left, hill's beauties. The score:

S.S.S. DRIVES OUT
RHEUMATISM
The cause of Rheumatism is a sour, acid condition of the blood, brought about by indigestion, chronic constipation, and the accumulation in the system of refuse matter which the natural eliminative organs have failed to carry out. This refuse or waste matter ferments and sours, generating uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. One may also be born with a predisposition or tendency to Rheumatism, because like all blood diseases it can be transmitted from parent to child. The aches and pains of the disease are only symptoms which you may scatter or relieve with liniments, plasters, blisters, etc., or deaden with opiates. As soon, however, as such treatment is left off or there is any exposure to cold or dampness, or after an attack of indigestion or constipation, the wandering pains, sore muscles and joints, and tender places on the flesh return, and the sufferer finds that he has merely checked the symptoms while the real cause of the disease remains in the blood. Rheumatism can never be cured while the blood remains saturated with irritating, pain-producing uric acid poison. S. S. S. cures Rheumatism by driving the cause out of the blood. It thoroughly cleanses the blood and renovates the circulation by neutralizing the acids and expelling all foreign matter from the system. S. S. S. stimulates and invigorates the blood so that instead of a weak, sour stream, constantly depositing acid and corrosive matter in the muscles, joints, nerves and bones, the body is soothed and nourished by rich, health-sustaining blood, which completely and permanently cures Rheumatism. S. S. S. is composed of roots, herbs and barks which possess both purifying and tonic properties—just what is needed in every case of Rheumatism. Book on Rheumatism and medical advice free. "NAVAL ENGAGEMENTS" AT TAYLOR HALL

There is evidence of a wide interest in the movement to decorate Taylor hall for which purpose "Naval Engagements" is being directed by Miss Florence M. King. No doubt that the interest is largely due also to the fact that Miss King and some of our leading amateur actors are preparing the play.

Mr. Roe Emerson sends word to the management that he will take \$5.00

worth of tickets. Reserve seats go on sale at 9 o'clock. The Y. M. C. A. office can be reached by phone.

Concerning the play itself "Naval Engagements" has been used by the best of actors for years. The military roles of the Admiral and the Lieutenant have been played by the great William Farnum and the famous Mr. Gilbert and by Charles Matthews. These two roles will be taken by J. Howard Jones and Edward King. Miss Ida Moore has the ingenue part and "Dennis" the humorous Irish character, played by no less than the great Broughan will be played by Harold Kemp. The widow in which Mrs. Gilbert made such a great hit

will be played by Miss King herself. "Naval Engagements" is a clean, refined comedy in three acts, very amusing in all parts and but a very smooth in plot and dialogue.

Newark fans yesterday greeted three new men who have not before appeared on the local diamond. They greeted them with a cheer and a handclap, not only because they were new men, but because they brought with them the stuff with which Newark was able yesterday to pluck a 5 to 0 victory from Kling's Sharonites. It was Newark's new men almost exclusively who won yesterday's game. Big Ed Ascher who has not played in a home game before except a part of one of the exhibition events, made the shut out possible, and Bunney Pearce, Frank Gygli and Sandy Murray all new men, figured in the run getting in a way that delighted the 2000 bugs.

Sharon would hardly be recognized in the disorganized, happy-go-lucky way that amused the fans by their half-hearted manner last season. A pitcher who was rather inclined to be wild at times and who was ineffective with the cushions, occupied proved to be Sharon's undoing. Edfeldt pitched a good game except—

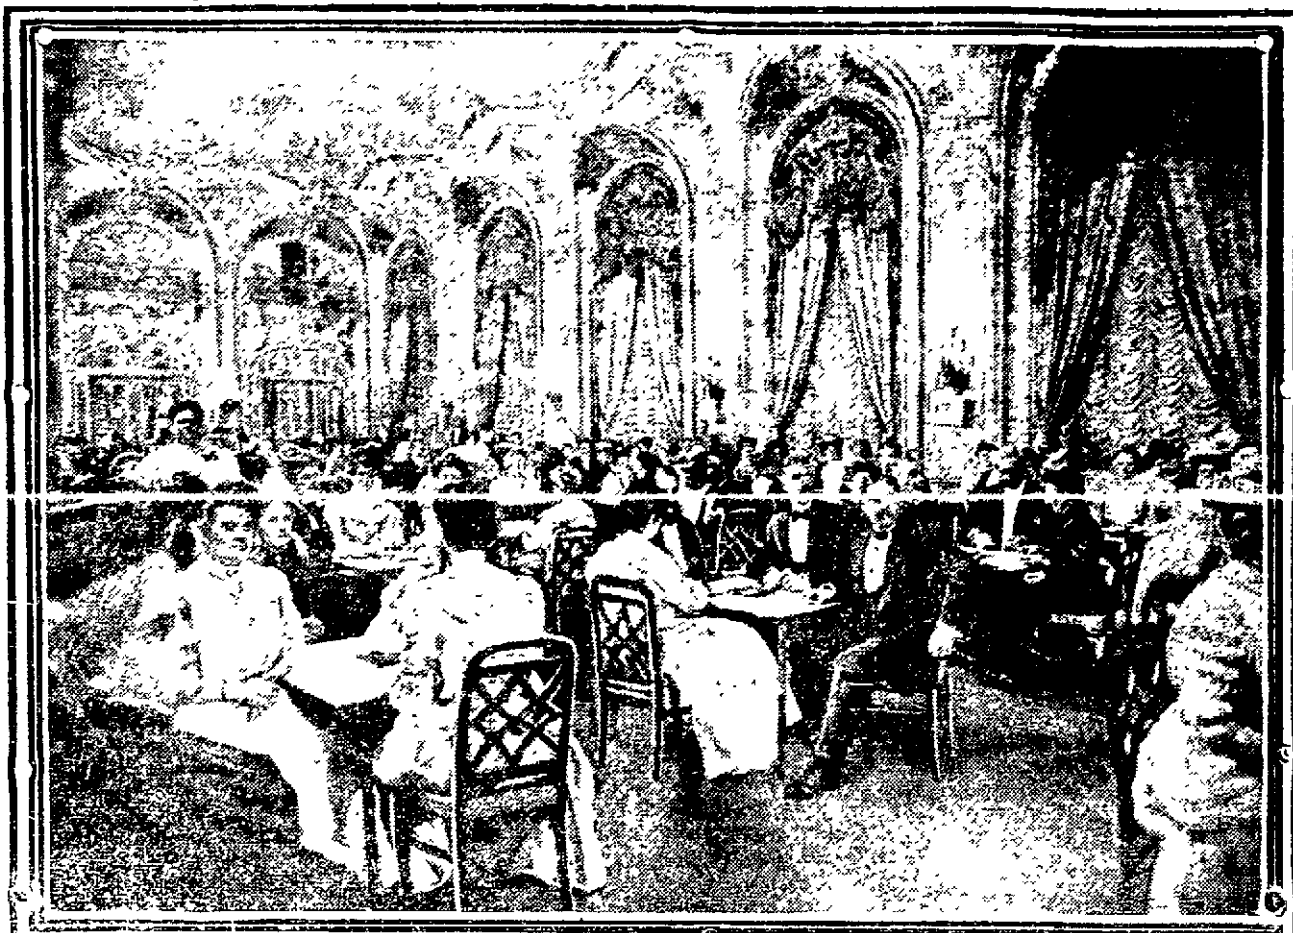

Those exceptions were his wildness and Newark's timely hitting. Perhaps Mr. Edfeldt could not help the latter exception, and we think he could not.

As for Newark's new infield, Frank Gygli on first was a big improvement over Jimmy Pearce, who was released last Monday. Murray on second filled the keystone position to perfection and Haval played a pretty game at short. With this infield all of whom are stronger men with the stick than any set of infielders who ever represented Newark, the Molders this season should easily take a first division position and retain it through the season.

How the Runs Were Scored.
Newark got a man on first in the opener when Walls walked. He stole second and Schweitzer fled out to Kerr, while Wratten got a scratch hit. "Rats" stole second but Haval's hit failed to materialize and there was nothing doing, though it looked like a run or two.

It was in the fourth that the trio of counters were registered. Wratten led off with a scratch single and Haval followed suit. Sam's bang went to right field and Wratten tried to reach third, but Matthey fielded the ball nicely and made a perfect throw, while Haval went to second. With Murray and Gygli on the sacks Pearce ripped off a smasher to left

NEW YORK WOMEN WIN WHIST CHAMPIONSHIP.

SCENE AT THE ANNUAL CONGRESS OF THE WOMEN'S WHIST LEAGUE AT THE WARDORF-ASTORIA

NEW YORK, May 13—Most important of the trophies at stake in the annual congress of the Women's Whist League at the Waldorf-Astoria for the last three days is the Washington, which at the conclusion of play last night went to the New Amsterdam Whist Club, of this city. This trophy is emblematic of the championship. Mrs. C. S. Waterhouse and Miss A. H. Taylor won the pair championship, with a score of 15.2. These players represented the Howell Whist Club, of Boston. The Omaha Club of Omaha, Neb., finished second, being only a fraction of a match behind the winners. This club was represented by Mrs. R. W. Bailey and E. H. Martin, who won fifteen matches net.

field that would have gone for a triple with any other gardener out there but Kerr. As it was Pearce scored a double, counting Sandy and Gyg. Pearce got to third and Ascher walked, but when the double steal was tried, Pearce was caught at the plate on a close play.

The ump's said Pearce was caught, though people in the grand stand thought otherwise. Owing to a strange ruling the ump's was declared to be right. Snyder assisted Ascher in his demise at second, retiring the side.

In the sixth Murray walked again after one man was dead. As usual he stole second, and when Gygli ripped off a scorching single, Murray came dashing home. Ascher singled to left, field and Gygli tried to score on the play but Kerr's throw was perfect and he was caught at the plate on another close decision by his ump's.

In the seventh Mr. Walls stopped a hot one from Mr. Edfeldt and took first. Schweitzer ripped off a hit that struck the left field fence and was good for a trio of cushions. Walls scored easily on the play.

Sharon had several narrow escapes from scoring. In the sixth Walls dropped an easy fly from Tooley's stick and the Irishman stole second. Ascher delivered a high ball to Pearce. He died there, though, as both men following died easy deaths.

Not until the seventh did Sharon get a hit. With two out, Clever and Kling each singled, Mattison who followed, hit to Haval who assisted Murray, retiring the side.

The ninth looked particularly bad for Newark when with one man hung on the hooks, Kerr singled. Sellers placed a hot one at Ascher's feet, which was fumbled, but Wratten got it and caught the middle fielder at first. Gygli hit a hot one to deep short which burned Haval enough to cause him to make a bad throw. With these two men on bases and Manager Kling at the plate it looked like Ascher's no run affair was gone glimmering. However, Mr. Murray took care of Mr. Kling and things were righted again and the bugs on the bleachers were sent home happy.

JOE LOCKE GOT AWAY WITH NICE GAME SATURDAY

SHARONITES COULD NOT HIT
NEWARK'S VETERAN SLAB
MAN EFFECTIVELY.

Local Team Broke Even With Teams
on the Road—Good Hitting by
Newark Men.

(By John A. Duffy.)
Sharon, May 12.—It was a marked down sale for the Three S team on Saturday afternoon. The Newark boys looked as big as Teddie's big Bill Taft and the ice-faint weather seemed to put a swatting edge on their batting eye as they touched up Malarkey for nine nice hits, and won the game in easy style by a score of 6 to 1.

The crowd was large, nearly 1300, ready to yell when the locals won. They yelled anyhow, for time and time again men were on the runway for the home team, but only once was the circuit completed. That was in the eighth when Patterson reached Gygli's angle on an error by the pitcher. He was the second man up and there was one man out. He laid the ball down in bunt style and Locke fumbled the pickup, advanced on a wild pitch and took third on Mathay's Texas leaguer, held it white Kerr flew to short, scoring when Sellers bingled. Snyder robbed Kling of a two-bagger and saved two more runs by making a sensational catch of the manager's long drive along the left field foul line.

Newark opened up the run getting with one man down in the second. Tooley went after a hard chance from Davis' bat, fielded cleanly, but threw over Patterson's head and Davis took second. Gygli went out on a fly to first, and Davis scored on Pearce's single. Locke flew out.

Two innings flew by without a count until the fifth, when after Gygli had banged the air three times for strikes, Pearce waited for four, broke a commandment getting to second, slid into third when the catcher made an error and was disabled for a minute, Berryhill taking his place on the bag and scoring for him when Snyder hit after Locke struck out. Mattison made the star play of the day on a catch of a foul from Walls and closing the inning.

The visitors got into practice in the sixth for the fatal seventh by scoring once on two bingles. Schweitzer started the trouble by a little hit. Wratten and Haval went out in turn, and Davis brought the run over the plate with the second single. Gygli stroled to first over the wide ball route, and Pearce lifted one into Mathay's territory, which the fielder pinched.

But that seventh—it was excursion rates around the bases with the woe veneer for the local team. Hit and run appointments were used at the batting field while plates were laid at the home stand for three, and the expenses amounted to three singles and a mighty two-bagger by Wratten. While this was going on two men were out.

Locke and Snyder had gone down from third to first and pitcher to first. Then Walls hit a single over second. Schweitzer followed with another bingle. Wratten met one of Malarkey's curves for a two-bagger into left. Haval finished the work with a base hit, and when the smoke had cleared away Newark had three more runs glued onto the scoreboard.

Newark attempted a squeeze play in the first inning, but failed. Snyder had opened with a two bagger, taken third on a wild pitch before Walls struck out. Schweitzer got a base present, and Wratten missed the bunt for the play. Snyder was caught from catcher to third.

Kelly Clever shared honors with Mattison by making a great catch were the brilliant spangles for Berryback of third, and Snyder, in left, hill's beauties. The score:

SUNDAY'S RESULTS.
Rutledge 11, Pratt Co. 2.
Meridith 12, Jewetts 2.

In a good game at Idlewild Park Sunday morning the Meridith team defeated the Jewett Car company team by a score of 12 to 2. It was a stronger bunch under Manager Bert Elliott's leadership yesterday than he had a week ago. He has strengthened at first base, right field and in his battery department. At that the Meridith team landed on the pitchers for 11 hits.

Young Winters got away with seven hits and these with the errors behind him counted for two runs for the car builders. Elliott's team played rather loosely in the field but showed great improvement over last Sunday's game. Score:
Meridith 12 14 4
Jewett 2 7 6

Rutledge 11, Pratt Co. 2.
In the City League Sunday morning, the Rutledge Bros. team got away with a victory from the Pratt company by a score of 11 to 2. Harris' pitching was the big feature, allowing but one hit for the Jewellers. Drumm's hitting was also a pretty feature as he got four bingles out of five chances at bat.

The Rutledge boys were strong on base stealing, nine pilfered sacks being chalked up for them. Dwyer for the Pratt company got the only hit and stole second easily. Score:

The cause of Rheumatism is a sour, acid condition of the blood, brought about by indigestion, chronic constipation, and the accumulation in the system of refuse matter which the natural eliminative organs have failed to carry out. This refuse or waste matter ferments and sours, generating uric acid which is absorbed into the blood and distributed to all parts of the body, and Rheumatism gets possession of the system. "NAVAL ENGAGEMENTS" AT TAYLOR HALL

There is evidence of a wide interest in the movement to decorate Taylor hall for which purpose "Naval Engagements" is being directed by Miss Florence M. King. No doubt that the interest is largely due also to the fact that Miss King and some of our leading amateur actors are preparing the play.

Mr. Roe Emerson sends word to the management that he will take \$5.00

worth of tickets. Reserve seats on sale at 9 o'clock. The Y. M. C. A. office can be reached by phone.

Concerning the play itself "Naval Engagements" has been used by the best of actors for years. The military roles of the Admiral and the Lieutenant have been played by the great William Farnum and the famous Mr. Gilbert and by Charles Matthews. These two roles will be taken by J. Howard Jones and Edward King. Miss Ida Moore has the ingenue part and "Dennis," the humorous Irish character, played by no less than the great Broughnan will be played by Harold Kemp. The widow in which Mrs. Gilbert made such a great hit

will be played by Miss King herself. "Naval Engagements" is a clean, refined comedy in three acts, very amusing in all parts and being very smooth in plot and dialogue.

BIGGEST VOTE YET RECORDED CAST BY CONTESTANTS AND THEIR FRIENDS ON SATURDAY

Misses Madden and Bentz Made Big Gains While Race is Close in Many of the Districts—Miss Beaver Has Small Lead in Diamond Ring Contest—Now They Stand Today.

The vote cast Saturday by the contestants and their friends was the largest of any one day since the Jamestown contest recently started. The total for the day, 25,361, brought the grand total close to the 200,000 mark.

In District No. 5, Miss Bentz advanced to second place, though she has been in the contest only since last Monday and in the Ninth district, week's stay in Jamestown this summer.

From the time the party steps upon the Pullman train here in July until their return home, ten days or more later, every cent of expense will be paid by the Advocate.

The diamond ring contest has just 14 more days to run. The contestant who secures the greatest number of

Miss Madden advanced from fourth to second position. Both Miss Beaver and Miss Sutton largely increased their vote in the Tenth district and the difference between them is now only 847 votes. Nearly all of the contestants received a good vote on Saturday.

The day's count in the diamond ring contest shows that Miss Beaver still holds first place by a narrow margin, Misses McMillen, Varner and Bentz being close behind her in second place. Misses Davis, Miller, Madden, Neff, Young, Hays, Taylor and Sutton are in third place, while ten of the other contestants are also making headway in the ring contest. This ring contest has only 14 more days to run. The prizes are worth working for and anyone of the young ladies can win if a little effort is made.

The contest will not close until June 27. A young woman entering now can win if she will enter with a determination to do so.

A six months subscription to the Daily Advocate, new or old, counts 300 votes, a year's subscription 1000 votes. A year's subscription to the Semi-Weekly Advocate 100, and two years' subscription 200 votes. Coupons are issued in no other way. Merchants do not have them and they are not sold at this office or elsewhere. Each coupon clipped from the paper if voted on time, counts only one vote.

Today's count shows some radical changes in the standing of the contestant.

Every Daily Advocate subscriber who now pays by the week will save 70 cents by paying a year in advance and at the same time give 1000 votes to one of the contestants. On a six months' subscription (300 votes) 35 cents is saved.

If you don't know any of the contestants personally vote anyway. It is a pleasure to help a friend but a still greater pleasure to help a stranger.

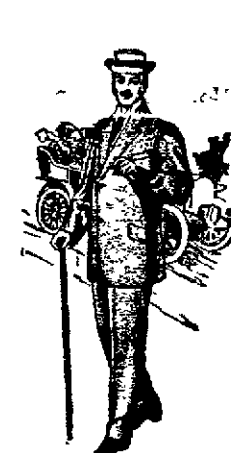

Every last one of the 30 contestants is worthy of your support. The Advocate would like to vote for all of them, but that pleasure must be left to the readers of this paper.

Several of the young lady contestants have picked out their chaperon and have thus secured an active ally in the contest. The contestant who secures the largest vote in the 10 districts will name the party's chaperon who will become one of the Advocate's party. Besides going to Washington and Jamestown this one contestant and the chaperon will also be given a delightful trip to New York. Select your chaperon today and secure her co-operation.

The Advocate's party will have a delightful sail water steamer ride to the Exposition.

The Exposition management promises to give the Advocate's young ladies a splendid time during their

NEWS OF TOWNS NEAR NEWARK

MRS. LINGAFELTER'S CASE MAY BE CALLED IN CIRCUIT COURT THIS WEEK.

Snake Record—A Remarkable Hen—Rabbits Come High—Books in Tangle—Several Deaths.

Coshocton, May 13—There are ten cases that may come before the Circuit court here tomorrow and it is not at all likely that more than half of that number will come up. The list of cases on the docket is as follows: State vs. Mary J. Lingafelter, of Newark; Wilhelm vs. Pennsylvania Co.; Farmers and Merchants Telephone Co. vs. Noland; Randles vs. Huff; Bachman vs. Menser; Rentrow vs. Metham; State vs. Bordenkircher; Scheetz vs. Scheetz and Agate vs. Tracey & Avery Co.

MISS VANCE IS ELECTED. Utica, May 13—Miss Thornton, the principal of the Utica schools, is to be married the coming summer and was not a candidate for re-election to her position. Miss Grace Vance has been elected as a teacher in the schools there.

GOOD PRICE FOR LAMBS. Utica, May 13—D. P. Campbell recently shipped a double-deck car of lambs on which he realized \$1,000. He says that in all his experience of over 40 years this was the most spot cash he ever received for one load of lambs.

A MAMMOTH EGG.

Mt. Vernon, May 13—C. B. Ewart, eight miles south of town, on the Martinsburg road, owns a remarkable hen. The other day she laid an egg which measures eight inches in circumference the long way and six and a half inches the other. Mr. Ewart

left the egg at Republican-News office.

MRS. HOWARD'S FUNERAL. Coshocton, May 13—Mrs. Mary Howard, 67, who died at the home of her daughter Mrs. Knauss, was buried here Sunday.

RABBITS COME HIGH. Bucyrus, May 13—It cost S. Lima just \$31 for shooting a rabbit. Lima who lives at Marion shot the rabbit on the way to Bucyrus and Justice Meek fined him.

G. A. R. VETERAN'S FUNERAL. Zanesville, May 13—Michael Kionebitter, 82 years old, was buried this morning in St. Nicholas cemetery. The deceased was a G. A. R. veteran.

HAD A BIG HEART. Columbus, May 13—A post mortem examination of August Schlinger of Corning showed that his heart was four times its normal size.

OVER 200 CONFIRMED. Zanesville, May 13—Sunday was confirmation day in the local Catholic churches and over 200 were confirmed at the St. Nicholas and St. Thomas churches by Bishop Hartley.

MRS. CARTER DEAD. Morgan Center, May 13—Mrs. Lee Carter of Morgan Center died Saturday from a complication of diseases. The deceased was about 30 years old and leaves a husband and two children, one only four days old. The funeral was held Sunday.

HOLDS SNAKE RECORD. Martinsburg, May 13—Jack Dudgeon has been awarded the medal for killing snakes. On Friday afternoon Mr. Dudgeon killed eight large black snakes some measuring six feet in length, also two copperheads. Only a short time ago Mr. Dudgeon killed 11 blacksnakes.

SUPR. ALAN RE-ELECTED. Mt. Vernon, May 13—The Mt. Vernon board of education has elected John S. Allen superintendent for a period of three years at a salary of \$1900 per year and house rent. This

is the same salary as paid to Supr. Leland.

SISTER M. CYRILLA DEAD. New Lexington, May 13—Sister M. Cyrilla died at St. Aloysius academy. She was one of 11 who came here from Germany in 1877 to teach in the school which had just been built. The funeral services were held today.

BOOKS IN TANGLE. Columbus, May 13—Dennison Lodge, No. 741, I. O. O. F., has been astounded by the discovery that its accounts are in almost a hopeless tangle and by what at present appears to be a heavy series of embezzlements by its former secretary, in the missing public service director, Charles E. Burr, indicted on the charge of receiving bribes in the East Broad street paving job.

COMING TO GRANVILLE. Columbus, May 13—Twelve members of the Columbus club took advantage of one of the finest days ever cut out for a saddle jaunt and rode out Broad street to Black Lick. Luncheon for the riders and food for the horses was carried on the saddles. Next Sunday a ride to Granville will be the program. The party will remain over night there and return on Sunday.

HOTEL MAN'S DEATH. Columbus, May 13—John F. Welsh, aged 51, for the last 11 years night clerk at the Neil, died yesterday afternoon at his home, 1577 Franklin avenue, of lung trouble.

LOSES SIGHT COUGHING. Marysville, May 13—Miss Marie Glasmeier, a member of the graduating class of the Richmond High school, has become blind in her right eye and may lose the sight of the left eye, as a result of a spell of coughing. While coughing she felt something snap and was soon unable to see from her right eye. The sight of the left eye has been failing since, and her physician fears that she will eventually become stone blind.
